

Corpus Christi Academy Booster Club

Dear Booster Officers/CCA Families,

As we approach the end of the 2016-2017 school year, we hope that this first transitional year of Corpus Christi Academy has been going well for you and your children.

Like all of the various school and parish ministries from St. Clare and SHOJ, the CCA Boosters Club has had a busy year bringing together the two CYO Athletics programs from legacy St. Clare and legacy SHOJ.

Starting back in late summer 2016, the two Booster Boards from legacy St. Clare and legacy SHOJ came together to form the new CCA Booster Board and Booster Club. The initial meetings focused on getting to know one another and learning how each respective Booster Club sponsored and supported each respective CYO Athletics programs at St. Clare and SHOJ. From those early meetings, there began an effort of collaboration in taking best practices and traditions from each club and forming and merging those best practices and traditions into the new CCA Booster Club and CYO Athletics Program.

It was determined that for this first transitional year, the new CCA Booster Board would be made up of representatives from both legacy schools. As a result, below is the combined CCA Booster Board and positions that has been in effect during the 2016-2017 school year and working together during this inaugural year.

CCA Booster Board Position – 2016-2017	Legacy St. Clare	Legacy SHOJ
Co-Athletic Director/Pastoral Designee	Lou Trivisonno	Laura Stergar
Co-Booster President	Matt Tuohey	Andy Ardo
Co-Booster Vice President	Dennis Gibbons	Molly Monaco
Co-Booster Treasurer	Rose Kuster	Andrea Sterkel
Booster Secretary	Eric Waag	

While we are sure there were some bumps along the way, as we look back at the first year of the combined CCA CYO Athletics program, we feel a lot was accomplished and our program, teams and student-athletes experienced some great successes. A few highlights of the year and those successes include the following:

- We sponsored approximately 30 different CYO sports teams allowing over 400 student athletes the ability to participate in various CYO sports.
- CCA teams won CYO City Championships in Girls Cadet and Boys Varsity Cross-Country, Girls Junior Varsity Volleyball and Boys Varsity Basketball.
- We were official CYO sites for Football, Basketball and Baseball games.
- Sponsored and hosted two CYO sanctioned basketball tournaments.

We would like to especially thank all the student-athletes, coaches and parent volunteers for all your hard work and efforts in making this inaugural 2016-2017 CYO Athletics season a rewarding and successful one.

As we near the end of this initial CCA school year and begin planning for next school year, below is what the CCA Booster Board will look like for next school year and length of each Board position terms.

CCA Booster Board Position – 2017-2018	Board Member	Term

Booster President	Dennis Gibbons	Expires 6/18
Booster Vice President	Andy Ardo	Expires 6/18

We look forward to finishing this 2016-2017 CYO Athletics season up strong with our various Spring Sports programs and wish the coaches and athletes well.

We also look forward to continuing to support and improve the CYO Athletics Program at CCA next school year and forward.

One important factor to ensure that happens is the continuation of new volunteers getting involved with the CCA Booster Club. Keep an eye out for communications coming out in the future for an upcoming social gathering as a sign of our appreciation for those who have volunteered their time and talents over this school year as well as a an effort to recruit the next generation of Booster Officers and Volunteers. As part of this communication, a list of non-board open positions needed to be filled for next school year will be shared.

Go Eagles!!
