SAVE \$500 OR MORE... New Student Referral Incentive and Discount Programs for 2018-2019 School Year

To encourage new-student enrollment, CCA is offering incentive programs to current parents and to students who are new to CCA.

Current Parents Referral Incentive Program

- \$500 reduction in your 2018-2019 family tuition for each **new family** you refer, if the new student(s) registers, is accepted and attends CCA for the 2018/2019 school year.

New Student Discount

- **Each new K-8 student** gets a first-year \$500 tuition discount (only one discount applied per new student, either new student discount or referral discount, **not both**).
- This means that ALL Kindergarten students get this Discount, since they are new to CCA.

Program Guidelines

- Referrals are confirmed by the new family on the Registration form.
- Referral Incentive may be split among families, i.e. two families refer the same new family.
- Families can receive multiple Incentives by referring more than one family (who then registers, is accepted and attends CCA for the 2018/2019 school year).
- All families must attend CCA for the entire school year to receive the entire Incentive or Discount.

This is a Win-**Win**-Win for all.... Current parents get financial incentives, new students get a discount and CCA enrolls more students, which will help strengthen our future.
