

Medical Requirements

The State of Ohio Health Regulations require children entering school to present documentation of complete immunization.

A physical examination record dated January 1- August 1, 2018 must likewise be presented. Children with September through December birthdays may submit Physical Examination forms dated September through December 2017 with an updated form required at your child's next well-check visit.

NO CHILD WILL BE ADMITTED TO CORPUS CHRISTI ACADEMY WITHOUT THE REQUIRED SIGNED MEDICAL RECORDS.

Child must be potty trained (without pull-ups) prior to the start of our 4 Year Old Pre-Kindergarten Program.

Welcome to Preschool!

Corpus Christi Academy Committed to...

- *Religious formation*
- *The creativity and structure that will nurture cognitive, social and language development in each child*
- *Compliance with State of Ohio's Early Learning Content Standards*
- *Developing the skills each child needs for subsequent grade levels*
- *Open communication with parents about their child's progress and development*
- *Pre-kindergarten complex offers new exciting and stimulating environment to foster your child's complete development*

Goals

Corpus Christi Academy Pre-Kindergarten class is committed to creating an environment where each child will:

- *Become aware of the fact that he/she is a child of God and will grow in His love.*
- *Develop a positive self-image and feel a sense of self-worth.*
- *Increase independence and experience accomplishments.*
- *Enjoy being a part of a group and forming friendships.*
- *Respect the rights of others as they learn to share and cooperate.*
- *Develop a trust in adults other than his/her parents.*

Pre-Kindergarten Program (4 Year Old)

The five-day session allows time for working individually or in small groups developing skills and concepts appropriate for the four and/or late birthday five year old child. Half and full days are available to best suit your schedule.

A longer day will offer a child a greater variety of enrichment and learning experiences which will provide an excellent transition to an all day Kindergarten program.
