

Could your child use
a little help in school?

Virtualpsi Tutoring To the Rescue!

What is *Virtualpsi*?

- Face-to-face, real-time, online instruction through our virtual platform!
- Private, after school, online tutoring in all core subjects by licensed teachers!
- Services provided in the comfort of your own home!
- Same tutor or specialist assigned to your child each week!
- Private, after school, online Speech, ESL & Occupational Therapy by licensed specialists!
