Corpus Christi Academy is.....**Catholic**

Each and everyday at the Academy begins with prayer and announcements on the interactive boards. The Catholic faith and Social Justice teachings are taught, emphasized, and reinforced on a daily basis. Our Parish priests provide classroom instruction weekly. Monthly Eucharistic Adoration and weekly Mass are integral to our Faith formation. Similarly, Advent and Lenten retreats strengthen our commitment “to serve as respectful, responsible, and resourceful students in a Christ-centered community”. All of our Sacramental preparation is carried out in collaboration with Sacred Heart of Jesus and St. Clare parishes.

The curriculum is an emergent curriculum that is rooted in the Early Learning Developmental Standards for the state of Ohio. This allows the teachers to take note of what the interests of the children are and thoughtfully plan developmentally appropriate experiences while ensuring Kindergarten readiness. The children attend specials throughout the week such as: library, music, Spanish, PE, and art. Scheduling is quite flexible, students have the option to enroll 1/2 day, full day as well as take advantage of before care and after care. Parents are encouraged and welcomed into the classroom to assist with projects and activities throughout the year. The heart of our program is play. Our program focuses on skills such as: learning to wait for turns during play, solving social problems, following more than two simple instructions, identifying emotions, listening to friends and teachers, and handling frustration.
