Corpus Christi Academy Friends and Families,

What an extraordinary journey lies ahead! As summer break begins and we celebrate everything your children have accomplished this year, our hearts are already brimming with excitement for the 2026–2027 school year. Great things are coming — and we want you to be the first to know.

A HISTORIC NEW PARTNERSHIP

Corpus Christi Academy is now a Notre Dame ACE Academy

This summer, we are working hand-in-hand with the University of Notre Dame in South Bend, Indiana, to open the new school year as proud members of the Notre Dame ACE Academy network. This powerful collaboration strengthens and enhances our already vibrant school community — ensuring operational vitality, academic excellence, and a strong Catholic school culture that sets every student on a clear path to high school, college, and ultimately, heaven.

This summer is a time to rest, recharge, and soak in the joy of your family. Know that while you do, we are busy preparing a school year that will be transformative, joyful, and deeply rooted in faith. We are so grateful for every one of you — our students, our families, and our community.

We cannot wait to welcome you back. Have a blessed and beautiful summer!

With gratitude and excitement,

Matthew Tabar
